Apartment HAGENOW

This apartment, sleeping 2, has its entrance on the south side of the water tower. It is for those who want lazy mornings, as the sun shines directly onto the double bed first thing. The large terrace is great for long breakfasts or evening glasses of wine. This apartment has been designed with those who have mobility issues in mind. Here, pets are allowed on request.

The Water Tower

Four holiday apartments are available, sleeping from 2 to 6 persons. Here, you will spend your holidays in comfort and style. Every apartment comes with a balcony or a terrace. The living rooms have—in addition to the central heating—a small wood-burning stove. The kitchens are fully equipped and all apartments have wi-fi. There is on-site parking for both cars and bicycles.
