## Apartment KARGOW

This apartment showcases the power of good design in small spaces. The double bed pulls out from a platform, instantly transforming the living area into a bedroom. The bathroom is positioned in the middle of the room—with the kitchen tucked behind it, our guests are free to circulate from one area to the next. The small balcony is ideal for soaking up sun.

## The Water Tower

Four holiday apartments are available, sleeping from 2 to 6 persons. Here, you will spend your holidays in comfort and style. Every apartment comes with a balcony or a terrace. The living rooms have—in addition to the central heating
